# Workshop on Post COVID-19 Infrastructure and Connectivity in Southeast Asia

Tuesday, 26 April

14:00—17:00 *Jakarta time*

15:00—18:00 *Beijing time*

The Asian Infrastructure Investment Bank (AIIB) and Multilateral Cooperation Center for Development Finance (MCDF), together with The ASEAN Lead Implementing Body for Sustainable Infrastructure (LIB-SI) and ASEAN Secretariat, are co-organizing a project oriented online workshop to improve information sharing and business matching, considering the key features of a post-COVID-19 world, to help explore co-financing opportunities in the Southeast Asian transport, energy and communications sector. It will also enhance experience/best practice sharing and partnerships through active participation of stakeholders including government agencies, IFIs, development finance institutions, and commercial banks.
