

# Cooperation in Infrastructure Development for Connectivity in Indonesia

Wednesday, 18 May 2022

10:00–15:30 Jakarta time  
(11:00–16:30 Beijing time)

The Government of the Republic of Indonesia (Ministry of Finance), The Islamic Development Bank (IsDB), The Multilateral Cooperation Center for Development Finance (MCDF), and the Asian Infrastructure Investment Bank (AIIB) are co-organizing a workshop entitled “Cooperation in Infrastructure Development for Connectivity in Indonesia”. The workshop will be project oriented, focused on information-sharing on opportunities in infrastructure investment and connectivity projects in Indonesia and projects linking Indonesia with surrounding countries and regions, as well as potential sources of finance for these connectivity projects. The event aims to bring together government representatives, development partners, the private sector, and other official and commercial lenders to discuss different avenues of cooperation.
