What are the criteria to be classified as Green Port? Smart Port?

- Toolkit or Manual
 - Different levels/classifications
 - Certification
 - Pros and Cons
 - Incentives
- 
- The background of the slide is a faded image of a port. It shows several large red gantry cranes (quays) positioned over a body of water. In the foreground and middle ground, there are numerous stacks of shipping containers in various colors, including blue, red, and white. Some containers have logos like 'CMA CGM' and 'WAN HAI' visible. The overall scene is a busy port environment under a clear sky.
